VI. CITIZEN PARTICIPATION

No comments.

VII. OLD BUSINESS

a. Preliminary approval of Section II

Mark discussed the minor revisions made based on comments from the January meeting. The 2030 projections may be revised to 2035 if the data is available from SEMCOG (Southeast Michigan Council of Governments). There was discussion. Mull moved preliminary approval of Section II. Weidmeyer support. Motion carried.

VIII. NEW BUSINESS

All items under new business were part of one discussion. Time was spent looking at the goals from the 2003 SWWCOG Regional Master Plan. The discussion centered around the correct numbers of categories, category wording, etc. Discussion resulted in a desire for working maps with more descriptive information for reference in determining a good starting point. New maps will be created that will include more roads. Mark stated that he and/or Brent would be willing to attend individual Planning Commission if members think it would be helpful for map discussions. It was determined that the Community Open House objectives would better be accomplished by 2 or 3 community workshops with the current work of the group and a question and answer page posted on the web to allow for outreach prior to the workshop format. It was also stated that a press release on current activities would be helpful.

IX. NEXT MONTH'S AGENDA

Next month's agenda will revolve around map comparisons; goals, objectives and policies and the open house.

X. CITIZEN PARTICIPATION

None

Meeting adjourned at 10:04. Mann-Riley.
