The Village of Manchester, Manchester Township, Freedom Township and Bridgewater Township find it in their long-term interests to cooperate on planning and zoning issues. A means of achieving this goal is to jointly plan for land use and may include the joint exercise of zoning powers. To these ends, all four participating entities enter into this Agreement to establish a joint planning commission pursuant to the legal authority granted by Michigan Public Act 226 of 2003, as amended (MCL 125.131, et seq.), as well as an ordinance enacted by the Village Council of the Village of Manchester on _____; an ordinance enacted by the Township Board of Manchester Township on _____; an ordinance enacted by the Township Board of Freedom Township on _____; and an ordinance enacted by the Township Board of Bridgewater Township on _____. The joint planning commission established by this Agreement shall be referred to as the “Manchester Community Joint Planning Commission,” (hereinafter, the “Joint Planning Commission.”)

The jurisdictional area of the Joint Planning Commission shall comprise the corporate limits of the Village of Manchester and the Townships of Manchester, Freedom and Bridgewater. All of these jurisdictions are within Washtenaw County, Michigan.

The participating municipalities agree that the Joint Planning Commission shall develop a comprehensive plan for its jurisdictional area consistent with the powers granted by the State and this Agreement. When completed, the comprehensive plan shall be presented to each of the participating municipalities for their review and approval. If the comprehensive plan is approved by all the participating municipalities, then the municipalities may direct the Joint Planning Commission to prepare a joint zoning ordinance for their consideration, consistent with statutes and this Agreement.

2. Composition of the Planning Commission

The Joint Planning Commission shall consist of nine (9) members.

3. Terms and Qualifications of Office

The Joint Planning Commission shall be comprised of nine (9) members as described in this section. The special ninth (9th) member shall be elected by a majority vote of the members of the legislative bodies elected and serving of a majority of the participating

municipalities (e.g., currently, the special member would need to receive a majority vote in at least three of the four participating municipalities). The special ninth (9th) member shall not have an alternate.

The initial members and alternate members elected by each participating municipality shall be elected for staggered terms as follows intended to provide for approximately one-third (1/3) of the Joint Planning Commission and alternate members being considered for election on an annual basis:

a two (2) year term ending on December 31, 2011, and
a three (3) year term ending on December 31, 2012.

a two (2) year term ending on December 31, 2011, and

However, a member or alternate member shall hold office until his or her successor is elected unless he or she is no longer qualified under this agreement to fill that position or if their position becomes vacant pursuant to section 5 of this agreement.

All duly elected members and alternate members of the Joint Planning Commission shall be qualified electors of a participating municipality of Joint Planning Commission. All of the members and alternate members elected by each of the municipalities participating in this Agreement shall also be qualified electors electing municipality with the exception of the special ninth (9th) member.

The participating municipalities when electing the non-ex officio members and alternate members to the Joint Planning Commission shall take into consideration the important segments of the entire Joint Planning Commission community, such as the economic, governmental, educational, and social development, in accordance with the major interests as they exist within the Joint Planning Commission geographical area, such as agriculture, natural resources, recreation, education, public health, government, transportation, industry, and commerce.

Neither the chief administrative official for a participating municipality, nor an elected officer of a participating municipality, nor any employee of a participating municipality may be a member or a member's alternate, except that pursuant to the authority granted by MCL 125.135(a) and
