- Low Density Agriculture/Residential
- Prime Agriculture
- Resource/Conservation/Floodplain Land Use Designation
- Natural Features

Resource/Conservation areas designated on Township and Village land use maps; although special conditions may apply to highlighted areas, designation as a separate land use category on this regional map is not required.

Note: this is a generalized map, showing general locations of land uses in the southwest Washtenaw region; land use areas are not parcel or acreage specific.

County primary and secondary road designations can be obtained from the Washtenaw County Road Commission.

Map prepared by the Washtenaw County Dept of Planning and Environment for the Southwest Washtenaw Council of Governments: May 2003
Last Updated: January 2008
