

WASHTENAW COUNTY OFFICE OF STRATEGIC PLANNING

To: Manchester Community Joint Planning Commission
From: Melissa Milton-Pung
Re: April Board Packet
Date: March 25, 2009

Dear Members of the MCJPC:

In this packet, please find:

1. Agenda for April 9 Meeting
2. Minutes of the March 11 Meeting
3. Revised draft of the Plan Implementation Chapter
4. Revised draft of the Future Land Use Chapter
5. Working Draft of the Future Land Use Map

Thanks to Karl Racenis for taking the minutes at the March meeting. The next meeting of the MCJPC will take place on Wednesday, April 8, at the Village of Manchester.

You will note that this month we will revisit the Industrial and Residential chapters, and continue our conversation on the Joint Planning Agreement/9th Member. We expect to have an opinion from Jesse O'Jack on this matter by the time of the April 8 meeting. Please note that materials related to these topics have already been sent, and can also be accessed online at www.swwcog.org.

This month we will also begin in earnest our review of the Plan Implementation Chapter (which includes language on the Growth Transition Areas that we have already provided), touch briefly on the Future Land Use Chapter with expected revisit in May, and receive any feedback on the Parking Lot/Glossary provided last month.

Thanks for your thoughts and participation as we continue to move forward with this Joint Plan. If there are any questions, you may contact me at miltonpungm@ewashtenaw.org or (734)222-6878.
