

## Update for SWWCOG Meeting - August 10, 2005

Ray Berg

### Wireless Washtenaw

1. Busy schedule of activities June-August
  - Four subcommittees functioning - Technical, Business, Governance, Communications; reporting to Steering Committee. Biweekly meetings. On-line Sharepoint web page used for daily communication and transmittal of documents.
  - Requests for Information received from 18 entities
  - Interviews conducted with these entities
  - Request for Proposal being developed for September issuance
  - County-wide survey - paper forms at various venues (i.e. Riverfolk), on-line survey, coverage in press.
  - Mass mailing of survey to 2000 county residents
  - Master Participation Agreement draft discussed at Lodi and Superior meetings
  - Business Plan development underway
  - Pilot applications due August 22
2. Pilot applications
  - One pilot allocated to western part of county
  - Must consider geographic size of pilot area
  - Develop application considering specific questions
  - Application due August 22
  - Forming team of volunteers to create “working group” to work with county’s WW team and provider(s)
  - Obtaining support letters for pilot application form

### SWWCOG Web Page ([www.swwcog.org](http://www.swwcog.org))

1. Web page is fully functional with content
  - News page (e.g., WW survey and update, WWCA, organization of web page)
  - About SWWCOG - charter, mission, history, meeting schedule, links to members, officers, community profiles, WWCA link
  - Proceedings - meeting agendas and minutes (need April minutes and May/June agendas), “roundtable” summaries, host to Manchester Chicken Broil web page
  - Regional Issues - extended discussion and links on seven topics (public safety and justice needs, Traffic Study, Wireless Washtenaw, WATS, 2003 SWWCOG Regional Plan, 1Washtenaw program, regional recycling)
  - Links - various related links
  - Contact Information
2. Looking for suggestions or other page content - send to [rayberg@att.net](mailto:rayberg@att.net)
